## HLTAID003: Provide First Aid

This one-day workshop deals with essential first aid: recognising and responding to emergencies using basic life-support measures. In this workshop, you will learn how to assess the situation, apply basic first aid techniques, and communicate details of the incident.

The workshop content includes:

- ◆ Cardio Pulmonary Resuscitation (CPR)
- ◆ Basic anatomy and function of the body
- ◆ Wounds, bleeding and shock
- ◆ Burns
- ◆ Fractures
- ◆ Other traumatic injuries
- ◆ Eye injuries
- ◆ Common medical emergencies
- ◆ Poisoning
- ◆ Bites and stings
- ◆ Environmental exposure
- ◆ Choking
- ◆ Legislative requirements.

**Assessment:** 40-question theory paper, workbook, CPR practical, first aid practical, group discussions. Participants will complete a workbook before the training.

**Fully accredited course.** Successful completion gives participants a Statement of Attainment for the nationally recognised unit of competency from the Health Training Package: HLTAID003: Provide First Aid, valid for 3 years.
