

Rock the (business) boat & when you fall out, keep swimming

... with business strategist **Belinda Shaw**

Thursday 2 November ♦ 10.00—11.30am ♦ \$25

In this Playshop (because Belinda says workshops are boring), business strategist Belinda Shaw will guide you to examine why you went into business and what you're trying to achieve. What inspired you initially? What challenges do you face now? What results do you seek for tomorrow?

Belinda will take you on a deep dive into your business. You'll examine where you're at, where you want to land your business boat, and how you need to steer. Belinda will introduce you to simple methods that will help you steer a sound course. She'll help you to move forward with business faith, certainty and action.

About Belinda Shaw: Belinda is founder of the business consultancy No B S Business Strategies. She's often referred to as a Master of Commitment to the Success of Others. Introducing the Small Business Series. Northside Meetings' Small Business Series offers practical, realistic advice for small and micro businesses through seminars delivered by local business people. The series offers an opportunity to network with other small business owners and learn about small business practice in an informal, friendly, non-judgemental environment. We're not linked to any wider network ... there's no organisation to join and no hard sell, just realistic advice. If you'd like to be one of our speakers, please contact Judy Gregory by email at info@northsidemeetings.com.au.
