

Creative Facilitation

Bring Meetings to Life

9–10 October, 9.00–4.30 | \$750 / \$970

Learn to bring your meetings to life and perform as a facilitator.

Join Viv McWaters for a workshop that will help you find the 'aliveness' that lurks under the surface of dull meetings. You'll develop skills to transform the way you facilitate meetings and learn to make the best use of people's time and energy.

Creative Facilitation is designed for anyone responsible for organising and facilitating meetings. The two-day workshop covers:

- ◆ Beyond the traditional 'facilitator' – how to lead meetings in workplaces
- ◆ Participatory approaches to sharing information, gathering ideas, making decisions and working together
- ◆ Creating environments of open-ness and trust
- ◆ Moving beyond words by using photos, action and story
- ◆ Bravo! You as performer – tips and tools to manage yourself in a group, especially when things go wrong.

Creative Facilitation will help you to:

- ◆ Get more out of every meeting
- ◆ Learn new techniques for creating engagement
- ◆ Build your presence and performance as a facilitator.

'I don't believe in facilitation-as-usual and this won't be training-as-usual. There will be no bad PowerPoint, little use of a flip chart, and certainly no 'turn-to-page-24-of-the-manual'.'

Comments from participants

‘... a refreshing and energising experience, excellent for those both new to facilitation and those with more experience. ... Ego-less facilitation; masterfully designed and facilitated.’

— Lindy Amos, Collective Possibilities

‘The greatest part ... is the learning space Viv creates. Not only do you learn her facilitation methods and theory, you get to live and breathe them by participating in activities and experiencing them for yourself.’

— Melanie Starr, Northcote Rental Housing Cooperative
