Let's 'do' philosophy

Join us for a friendly discussion about the fundamental ideas that inform the ways we look at the world. The Philosophy Café at The Letter Lounge is a monthly opportunity to 'do' philosophy. We get together over afternoon tea to examine our basic beliefs and challenge the thinking that underpins our everyday decisions. We ask questions about the concepts that guide our lives and think about the logical links between our thoughts. Our goal is to inspire each other to develop an interest in philosophy.

This is a friendly group that meets in a spirit of tolerance and openness. Everyone is welcome – if they come with a questioning, thoughtful approach to discussion. We invite you to think, question and build arguments.

The Philosophy Café is an informal, non-technical group that encourages philosophical debate and provides a forum for the active exchange of ideas. It's coordinated by Peter Ellerton (Critical Thinking Project, Uni of Qld), Chris Poulsen (Philosophy & Reasoning, Kelvin Grove State College) and Judy Gregory (Northside Meetings). The conversation is suitable for anyone over the age of 12.

Each meeting involves a 10 minute overview of our purpose and processes, a 20-minute presentation on the advertised topic and a 60-minute facilitated discussion. Your registration includes a tea/coffee/soft drink and afternoon tea.
